MEMORANDUM FOR: Acting Deputy Director of Central Intelligence
FROM: Director of Central Intelligence
SUBJECT: Suggestion from SSCI Hearing

At the Senate Select Committee hearing on Tuesday, Senator Wallop suggested that for skills like secretaries we might well screen across the Agency rather than just within DDO to see who should be weeded out. Particularly since most of the secretaries are coming up for the next cut, this might be something to take a look at. I can see that it would encounter problems in the different grading systems, but it might help us to be sure we have the best of the crop left.
